holy CITY 2007-08: DANCING ON THE EDGE

A long look at the issues that are shaping global contemporary life and faith, with all the associated potential for disaster... and opportunity!

Holy City is the ecumenical city centre space for certainty & doubt, praising & questioning God, discovering the value of conversation, silence, scripture, song & symbol. **Holy City** focuses on realities of choice, lifestyle, personal agenda and the relevance of faith for city life today.

The **Holy City** events programme starts in October 2007 and runs until June 2008. The first half of the last Sunday-of-the-month event explores the theme, the second half reflects it in contemporary, participative worship.... but as well as this large-scale event, this session we're offering a full (now weekly) series of smaller, intervening events, with at least one (and often more) of these every Sunday (and even some on Tuesdays too) in the centre of Glasgow!

These include:

● **The Wee Singing Thing** (small group acapella sings); ● **Holy Racket** (percussion workshops, in collaboration with Rhythmconnects); ● **Living the Questions**, ● **Saving Jesus** and ● **Victory & Peace** (faith explorations for progressive Christians, in collaboration with Strathclyde University Chaplaincy. Please contact wrg@iona.org.uk or marjory.mackaskill@strath.ac.uk, in advance, if coming along); ● **Labyrinth** (the reflective walk event); ● **SoundBites** (a monthly meeting to discuss issues of concern, hear a concert performance or listen to visiting speakers); ● **Moving Image** (faith exploration through image and film); and other ● **One-off events**.

Venues: **RSS:** Renfield St Stephen's Church, 260 Bath Street, Glasgow.

SUC: Strathclyde University Chaplaincy, John Street, Glasgow.

TSB: The State Bar, 148 Holland Street, Glasgow.

You'll find the full calendar of dates, times & locations inside this card, and on the website, www.holycity-glasgow.co.uk. Keep checking for updates!
